Declaration of Conformity-REACH

The company Ott GmbH & Co. KG as a manufacturer/marketer of electronic and electrical products is a "downstream user" in the sense of REACH Regulation 1907/2006. Obligations due to the manufacture and placing on the market of substances/chemicals for pre-registration and registration (ECHA) are not applicable to us.

Our products are articles and therefore cannot be defined as substances or preparations. Furthermore, no substance is released from our products under normal and foreseeable conditions of use. Therefore, the company Ott GmbH & Co. KG is neither subject to the obligation to register nor to the obligation to prepare safety data sheets.

In order to ensure the continuous supply of reliable and safe products to our customers, we require all our suppliers to comply with all requirements regarding chemical substances and materials, and thereby no substances from the Candidate List of Substances of Very High Concern (SVHC) are used in the manufacture of our products. <http://echa.europa.eu/candidate-list-table>.

In doing so, we adhere to the obligations of ECHA's "Guidance for Downstream Users".

Best regards,
Ott GmbH & Co. KG
