

Save time with safety

Two reels dispenser **MULTICOVER 9503**

Up to 3 film reels in service (with Multicover bag sealer)
Off the ground in a small footprint

The Multicover 9503 can be used alone or with one of the three MULTICOVER bags sealers.

The two film reels holder RIPACK® 9503 allows multiple sizes or types of packaging free from lost time due to over handling.

Different kinds of rolls can be used such as :
Tube film, flat film, bubble film, pre-cut covers, gusseted, pre-folded, kraft paper, foam sheets....

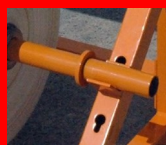

Mobility: 2 fixed casters + 2 swivel casters with locks for easy mobility (casters presented on the pictures below)

Several possible rack positions for each tube, depending on the diameter of your reels.
